

HPV STOLEN

Between 2.AUG 2004 and 6.AUG 2004 my blue HPV has been stolen out of the cellar of my flat in Munich.

Description and Technical Data:

- Complete self made Construction close to a Construction Manual of Werner Stiffel
- Frame No: 3 424 00061 2 (stamped into bottom of pedal ball bearing)
- Back Wheel: 28 inch; Front Wheel 20 inch
- Main part of frame is a steel tube with four cornered (eye catching) profile (40mm x 60mm)
- Back Wheel Suspension with cylindrical Poly Urethane Block
- Big unusual Baggage Carrier, soldered up to Frame
- Seat covered with an (eye catching) beige coloured belt, usually being used for roller blind
- Back Wheel Brake: Hydraulically driven Rim Brake; Front Wheel: Bowden Control
